

THE CAMPING DES GORGES

GENERAL PITCH RENTAL CONDITIONS

- Advance bookings

Please enclose 180€ with your booking form. This sum, minus 30€ for administrative expenses, (applicable from June 21 to August 26), will be deducted from your invoice.

We will only cash your cheque if we can accept your booking. If not, we will suggest alternative dates. If the dates proposed are unsuitable, we will not cash your cheque.

- Payment of stay

Once we have received your booking form and deposit we will send a lease confirmation if everything is OK (see above). The visitor's tax, detailed on our confirmation, is extra (0.60€ per day by person over 13). The full cost of your stay, shown on our quotation, is payable when you arrive.

- Pitch allocation

Your pitch will be allocated when you arrive.

We do not reserve pitches side by side, nor can we meet specific requirements. If you do not arrive on the date for which you booked and with no news from you, we will keep your pitch until 2.00pm on the following day. After this time we will consider you have cancelled and keep your 180€ deposit.

- Cancellation of stay and early departure

In the event of cancellation, you will have to:

- pay the administrative expenses
- forfeit your 180€ deposit.

To cancel, you must send us a registered letter with delivery acknowledgement. Proof of date of posting will be the postmark.

If you leave early, whatever the cause, we will not reimburse the unexpired part of the lease.
